For a single donation of \$50.00 your loved one will be prominently featured in our Weekly Bulletin and therefore called to mind in the personal prayer of your fellow parishioners, for a period of 26 weeks. Down through the centuries Church Fathers have assured us of two things: 1. Our loved ones who are in Purgatory need and benefit from our prayers. 2. Prayers said for those who have exited Purgatory and are already in Heaven are not wasted, but are "redirected" as expressed so beautifully in our Fatima Rosary Prayer: "Oh my Jesus save us from the fires of hell, lead all souls to heaven especially those in <u>most need of Thy mercy.</u>" Call the Rectory for details concerning this program.				

Complete Catholic Mass and Daily Meditations

Catholics believe that the human person is a combination of body and soul. These are not two distinct entities but rather an integration of two constitutive elements. Too often we separate them so far apart from one another that it seems that they are no longer connected. Thus, medicine, which we see as dealing with the body, has little to do with prayer, which we conceive as having to do with the soul.

In an attempt to draw these two elements back together as a single entity [the human person], the Pastor has designated each day of the week as a day of prayer for parishioners suffering from a particular set of medically identifiable conditions, like so:

Monday	Pray for victims of Cancer
Tuesday	Pray for victims of Cardiovascular Disease
Wednesday	Pray for victims of Arthritis
Thursday	Pray for victims of Neuromuscular Disorders
Friday	Pray for victims of Emotional Disorders
Saturday	Pray for victims of Diabetes
Sunday	Pray for all the sick of the Parish

Integrate this scheme into your Lenten Program.
