## Lucky 13

Our parish community celebrates our Feast Day six times a year, because the Blessed Mother appeared to the children in Fatima, Portugal on the thirteenth of each of the months of May, June, July, August, September, and October. One of the elements of each celebration involves having a special parish activity. We took no pictures at the May Breakfast at Kings Restaurant, but the next two and up coming events did yield "art." (If the 13th doesn't work, we get as close as we can.)
