A NOTE FROM MONSIGNOR CARSON

There have been a few inquiries and some interest in the purchase of our rectory. As required, I've been asked to consult our Finance Council. After having the rectory and adjacent property appraised, our Finance Council has recommended that we make the rectory and property available for sale. However, prior to advertising to the public, parishioners will have thirty days to have the opportunity to submit an offer.

A number of other details will need to be worked out over the next few months.

Proceeds from the sale would remain in the parish.

It is my understanding that this matter was also a topic of discussion prior to my arrival.

An Update and Special Thank You

The Gabriel and Levine Families are happy to share that Gwendolyn Gabriel, our brave little heart warrior, has successfully received her 2nd heart transplant after one year of waiting. The surgery took place on March 2nd and was a complete success thanks to the incredible team of surgeons, doctors, and nurses who have been caring for Gwen every step of the way.

Though Gwen is still in the early stages of recovery, the family is hopeful and optimistic that her biopsy, which will take place soon, will show no signs of heart rejection and she can come home within a month of so.

Gwen's families wish to thank all who have prayed for Gwen and her family, expressed words of kindness, kept her in her in their thoughts, donated money, gift cards, and household items, participated in fundraising and simply supported them during this challenging time. They would especially like to thank the 7th grade CCD students for their time, energy, and creative fundraising effort as well as the facetime! Thank you for being a part of their journey and continue to keep Gwen and her family in your prayers.
