Our Lady of Fatima Pleaded That we pray the Holy Rosary Daily

Some spiritual directors, including your pastor, believe and teach that any time one is not participating at Mass or privately saying the Rosary, that person should be repeating over and over again the JESUS PRAYER (upper right banner). The first half of the prayer is to be said (initially with the lips and eventually in the mind only) while inhaling. The second half is to be prayed while exhaling. After some practice with the mechanics of it, it becomes pretty much second nature, and you are, quite literally, praying with every breath you take. If you keep track of the number of times in a day you say (or breath) the prayer - the 19th century Russian monk who popularized it got up to 8000 times a day - you will be amazed at how much time you used to unconsciously waste somewhat distant from, may be even out of, God's existential presence. It is the most practical demonstration of the spiritual principle stating that our prayer life should not interrupt all the other stuff we are doing, but all that stuff we have to do actually interrupts our life of prayer. Jesus' command is to "Pray without ceasing." 1 Thes. 5:17

Assisted by her husband Paul, Emma Kowalski pulled together all the elements (including pilgrims) for our parishes' first bus trip. Fifteen folks, eleven of whom were parishioners made the journey to the Lancaster area to see the live stage production of "Joseph," a musical play presented by the famous Sight and Sound Ministry. Following the production the travelers had an epicurean smorgasbord dinner. OLF is looking for pilgrims for our next trip. A serious proposal being considered for June is a pilgrimage to Catholic Shrines in Washington D.C. by way of Emmetsburg, MD. Interested? Call Emma or the Rectory. *Interest precedes detail.*

Synergy is the process of bringing seemingly unrelated "pieces" together, creating a new "whole" which is similar to all of, but different from any one of the pieces. The pieces in this case: OLF Feast day (5/13) celebrated (5/15), Armed Forces Day Honoring Living Military (5/21), Memorial Day Honoring Dead Military (5/30), all brought together in our parish's Eucharistic (*Thanksgiving*) celebration of the 4th Sunday of Easter. The result of bringing all these pieces together was last Sunday's 11:00 Mass, where OLF thanked all Military, past and present, living and dead for guaranteeing our right to celebrate Mass.

Paul Thomas Cassarly, our parish's trumpet soloist and cantor, is a graduating senior at Altoona Area Senior High School. He is a multiple scholarship recipient of the Blair County Civic Music Association, the Wright Elementary School Award, the Brian Morden Foundation, and the Willard G. Rouse Trustee Scholarship. His passion for music began at age nine when he began playing trumpet. Paul is principal trumpet of the Central Pennsylvania Youth Orchestra, celebrating its **20th Anniversary Spring Concert, Sunday, May 22, 4:00pm at Esber recital hall, Music Building I, Penn State University**. Paul will be attending Penn State University this fall as a music education major with a concentration in trumpet studies under Professor Dr. Langston Fitzgerald.

Paul became a Roman Catholic on Easter Vigil 2008, and was chosen as Psalmist for his Confirmation ceremony at the Cathedral of the Most Blessed Sacrament, April 7th, 2010. Paul gives credit to the Lord for everything he's been able to accomplish, and to this parish he gives thanks for the support of his music.
