

I chose this vehicle to express my universal gratitude because it was Our Lady of Fatima staff and parishioners who brought together my family and friends, present and former parishioners, and almost three quarters of a century of acquaintances to celebrate my seventieth birthday. Thank you all for making it happen. Due to your efforts I am even now getting phone calls and phone messages, e-mails and I-messages and plenty of old fashioned Birthday cards. I deeply appreciate the gift cards and cash gifts contained in each of the sealed envelopes. These tokens of generosity will insure that this celebration will go on and on for some time.

## Thank you. Thank you. And thank you.

Since the completion of the new sidewalk around half the perimeter of the Church coincided with Father Z's Seventieth birthday and since his cardiologist, his endocrinologist, his oncologist/urologist, and his concierge physician have all recommended the type of exercise one hour slowly circulating this boundary would facilitate, our pastor has designated the area as the *Mary Walk*.

Stopping for breath several times at the Our Lady Of Fatima Shrine he hopes to say privately the 20 Decade Rosary while slowly doing the *Mary Walk*. Father hopes to make this a daily exercise. He hopes also to "bump into" others doing the *Mary Walk* at the same time, although he won't use this as conversation time. The most one will get out of him is a smile and a "call me later." There is no set schedule at this time.

*Honor Your Mother*

May 13, 2014

God made mothers because he couldn't be everywhere.

- Yiddish Proverb

A mother is a person who seeing there are only four pieces of pie for five people, promptly announces she never did care for pie.

- Tenneva Jordan

The most important thing a father can do for his children is to love their mother.

- Theodore Hesburgh

A mom's hug lasts long after she lets go.

- Author Unknown

I know how to do anything—I'm a mom.

- Roseanne Barr

My mom and I have always been really close. She's always been the friend that was always there. There were times when, in middle school and junior high, I didn't have a lot of friends. But my mom was always my friend. Always.

-Taylor Swift

Mother, behold your son.

Son, behold your Mother.

... and from that moment [mankind] took Her into his own home.

- Jesus in John 19: 25
