Don't Miss This!

Beginning at the Easter Vigil and Easter Sunday, the Diocese of Altoona-Johnstown will return to its regular practice for the distribution and reception of Holy Communion. With the great part of the flu season behind us, the offering of the chalice of the Precious Blood of Christ will again be offered regularly at Mass. Always remember, if you have a cold, sore throat, cough, or any flu-like symptoms, please refrain from receiving the Chalice of the Lord's Blood. To those Catholics who wish to receive the fuller sign of Communion, both the consecrated Bread and Wine, Easter will be the feast for the restoration of this practice in the Diocese.

This Wednesday, February 17, is Ash Wednesday when the Church begins the forty day journey toward the Triduum (The Three Days) with the annual discipline of fasting, praying and giving alms. Ash Wednesday (February 17) and Good Friday (April 2) are days of fast and abstinence. All Fridays of Lent (February 19, 26, and March 5, 12, 19, 26) are days of abstinence. FASTING refers to only one full meal, with two small meals and no eating otherwise for the day. ABSTINENCE refers to not eating meat at all during the day. All those who have reached their 14th birthday are obliged to abstain. The Church directs the holy FAST to all those in their 18th year until their 60th year (Canon 1252). The ancient practice of fasting and abstaining can occur throughout the other days of Lent. This is not obligatory and can take a variety of forms distinct from food.

Catholics believe that the human person is a combination of body and soul. These are not two distinct entities but rather an integration of two constitutive elements. Too often we separate them so far apart from one another that it seems that they are no longer connected. Thus, medicine, which we see as dealing with the body, has little to do with prayer, which we conceive as having to do with the soul.

In an attempt to draw these two elements back together as a single entity [the human person], the Pastor has designated each day of the week as a day of prayer for parishioners suffering from a particular set of medically identifiable conditions, like so:

Monday	Pray for victims of Cancer
Tuesday	Pray for victims of Cardiovascular Disease
Wednesday	Pray for victims of Arthritis
Thursday	Pray for victims of Neuromuscular Disorders
Friday	Pray for victims of Emotional Disorders
Saturday	Pray for victims of Diabetes
Sunday	Pray for all the sick of the Parish
