Teams-up with Our Lady of Fatima

Offering a 20% Give Back

Having presented the attached bonus card to your waitress, enjoy a meal at Jethro's Restaurant in Altoona, and Jethro will mail OLF a check amounting to 20% of your total Bill. The catch is you have to do this on **Sunday, March 6, 2011**. If your total Bill consists, either in whole or in part, of *Gift Certificates* which can be used anytime at Jethro's you can multiply your dinning pleasure as well as your parish fund raising off into the future. Neither you nor OLF can lose in this deal.

Set **March 6, 2011** as either an occasion to eat out, or to plan and pay ahead for a future experience of dining pleasure for yourself or for some lucky person you plan on surprising with a *gift card from Jethro's*.

Note: A survey of the many surveys taken on the question: "How often does today's average (healthy) American 'eat out?'" computes to "about 50% of the time."

"For those who believe in God,
no explanation is necessary.
For those who do not believe in
God, no explanation is possi-
ble."

Come join Our Lady of Fatima Parish Film Club as we show **The Song of Bernadette**, depicting the events at Lourdes, France. On February 11, 1858 when Bernadette Soubirous saw a "lady" in a cave outside of Lourdes, while collecting wood with her sisters to heat their home.

We will be showing this award winning movie at St Stan's upstairs free of charge. Bring your own snacks and non-alcoholic drinks, sit back, relax and enjoy this beautiful story of faith and dedication.

The Pastor's KISS Column (*Keep It Short & Simple*)

QUESTION?

What is the difference between visiting and worshipping the Real Presence of Jesus - Body and Blood, Soul and Divinity - behind the door of the Tabernacle or behind the window of the Monstrance?

KISS ANSWER.

There isn't any!

OK, if you need a difference think of it this way ... in both instances you are spending quality time with your best friend - one time in a formal setting, another time in a casual setting. Both of you are the same persons in either setting. Each setting demands different protocols.
