A Lifetime of Service, A Moment of Thanks

In two weeks we will take up a special collection to help subsidize medical insurance and retirement expenses for our active and senior. Diocesan priests. While parishes subsidize these expenses now, increases in health care and retirement continue to exceed the current level of funding. To make a gift in gratitude for all priests who serve our Church, please use the special envelope you received today. Thank you for your generosity and concern for my brother Priests and me!

Religious Education classes will begin today, Sept. 11th @ 11:15 AM. In any given year our Sanctuary is used 424 hours for Public Communal Worship—The Holy Sacrifice of the Mass. Since the neighborhood has access to the Sanctuary 12 hours every day, that leaves 3,954 hours for the residents of the Fifth Ward and environs to privately and in relative solitude Adore the Real Presence of the Body and Blood, Soul and Divinity of Our Lord and Savior, Jesus Christ.

Experience teaches that starting off slowly, and steadily staying the course, fifteen minutes a week quickly becomes one hour a day. Serious and sincere practitioners of a daily Eucharistic Holy Hour soon find that the spiritual exercise becomes ... (*many will say*) ... the most important part of every day. We know one person who insists that missing the Holy Hour of Adoration is the spiritual equivalent of misplacing his Insulin.

Two of the most important things you can do to deepen your friendship is to spend time together, and to talk with each other frequently. The best friend and the love of our souls is Jesus Christ. Yet many of us suffer from a feeling that we don't really know who Jesus is, or we don't feel like we have a personal relationship with Him. Jesus is more like a figure from a history book to us, or some mysterious God-man who we know we have obligations to, yet we don't really feel anything in our hearts towards Him.

Adoration: The Answer to Deepening our Relationship With Christ

Eucharistic Adoration is the best way we have on this earth to spend a long time in quiet conversation with Jesus. You'll recall that just before Jesus physically left the apostles and ascended to the Father, he reassured them, "And behold, I am with you always, until the end of the age." (Matthew 28:20) This statement is fulfilled in the reality of Jesus' Real Presence in the Eucharist, in the hands of the priest at Mass each day, reserved in the tabernacles in the heart of our churches, and right before our very eyes in Eucharistic Adoration.

"Feel the Love" in Adoration of the Blessed Sacrament

What sets Eucharistic Adoration apart from other forms of prayer is that we are able to be in the same room with Him present in the Blessed Sacrament, the Eucharist. Though veiled under the appearance of bread, in reality we are gazing on His Sacred Heart, and the love that radiates from the little white host in the monstrance (the beautiful stand which holds the host behind glass for the adorer to see) is transforming. Sitting or kneeling in the presence of Jesus in this way could be called "Son-bathing." Like the rays of sunshine that warm our skin, the rays of His love touch our souls and provide healing, reassurance, comfort, strength.

Get More Out of Mass – Adore the Blessed Sacrament Outside of Mass!

The ultimate highlight of our life as Catholics is when we receive the Eucharist at Mass. It is at that moment when we are most intimately in communion with God, experiencing a taste of Heaven, a foreshadowing of what it will be like when by God's grace we one day enter into the life that never ends with the Holy Trinity. But is your experience at Mass a little chilly? Does it leave you with something to be desired? Are distractions getting between you and a true experience of communion?

Everyone's Welcome at Eucharistic Adoration

For a non-Catholic who is attracted to the majesty and tradition of the Catholic Church, it is a form of suffering to not be able to receive Communion. Eucharistic Adoration can provide a great source of consolation if you are discerning about or are in the process of converting to Catholicism. In Eucharistic Adoration you can find a quiet and sacred place to pray. And though you are unable to receive the Eucharist, you can make a spiritual communion to unite yourself with our Eucharistic Lord. This is especially meaningful when you are praying in His Real Presence in Adoration of the Blessed Sacrament.

The Eucharist Changes Hearts

Whatever reason brings you into the Real Presence of Jesus in the Blessed Sacrament, rest assured that Jesus does want to meet you there. Have you ever been "asked out" on such an important date as the one you are called to by the Sacred Heart of Jesus?
