Special Collection for Diocesan Priests' Medical & Retirement Aid

September 2013

At this time each year, we reflect upon the good and holy men who have devoted their lives to deepening our faith through worship, community and service.

Last year, the assessment to parishes for senior diocesan priests' medical and pension costs remained the same as a result of your generosity through this special collection.

All contributions were divided evenly between the costs of medical insurance and the fund that supports the pension plan for senior priests.

At this time, 35 senior priests — two more than a year ago — are receiving a modest pension. Your charitable gift will be a blessing to them each time they receive medical care or attend to basic needs for daily living.

Dear lay faithful, be close to your priests with affection and with your prayers, that they may always be shepherds according to God's heart.

To show your gratitude for our diocesan priests, please make your gift using the special envelope provided by your parish or with a gift online through the *Donate* icon at www.dioceseaj.org.
